

Unity Star

Unity Star is our tribute to the courage and perseverance of the people of New York City, and to the indomitable spirit of the American people. September 11, 2001 will be remembered.

Paper foundation piecing: Make as many copies as needed. Four copies of the right and left sections make a 12" block with 1/4" seam allowance. If templates are desired, trace each piece and add 1/4" seam allowance. For more paper piecing help, go to Needlesongs.com. Unity Star is designed to be interchangeable with the Stargate and Star Odyssey blocks.
